Reasons for Allowance

1. Claims 1-37 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is Zhang et al. (U.S. Patent No. 6,016,478) in view of Meeting Maker XP, as disclosed in Rizzo ("Meeting Maker XP: ON Technology Takes Its Group Scheduler Cross-Platform"). Applicant's arguments presented on pages 14-16 of the response filed on August 19, 2005 succinctly define what the prior art teaches and how the claimed invention is distinct from the prior art. The Examiner finds these arguments to be persuasive (particularly the arguments addressing the claimed determination of whether one or more potential invitees are available during a requested time period and the automatic sending of the electronic mail invitation based on this determination); therefore, claims 1-37 are deemed to be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Terminal Disclaimer

3. The terminal disclaimer filed on January 4, 2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date

of U.S. Patent No. 6,101,480 has been reviewed and is accepted. The terminal disclaimer has been recorded.
